

tangible BENEFITS

MANUFACTURERS' SCHOLARSHIPS

MCMA presents scholarships to county students and employees of member companies for Snead State Community College technical studies and technical training.

BI-MONTHLY MEETINGS

MCMA provides a forum with catered meals for members to gather and network, discuss pertinent issues and hear speakers address a wide range of topics.

UP TO THE MINUTE UPDATES

MCMA will provide up to the minute fax or email updates on any issues facing the manufacturing community. Communications will cover everything from legislation to labor issues.

TRAINING COURSES

MCMA organizes and hosts numerous training courses on issues that pertain to business and industry. These courses are typically free to MCMA members.
